CERTIFICATE

The Certification Body - 0036 - of
TÜV SÜD Industrie Service GmbH

certifies that

METAL RAVNE d.o.o.
Koroška cesta 14
SI-2390 Ravne na Koroškem

has implemented, operates and maintains a

**Quality Assurance System in accordance with the
Pressure Equipment Directive 97/23/EC (PED)
Annex I, Paragraph 4.3**

as Material Manufacturer for the scope of

rolled and forged bars, forgings and seamless hollow components.

The scope of the approval is described in the annex to this certificate.

The manufacturer is, therefore, authorized to issue certificates of specific product control within the scope of the assessed quality system and in accordance with the Pressure Equipment Directive 97/23/EC and applied technical specifications. Possible additional requirements - specific to applied technical specifications to meet PED Annex I - are not affected.

This certificate is valid through **July 2012**.

The validity of this certificate is connected to a valid certification in accordance with ISO 9001:2008.

Manufacturer's Approval
Order-No.: Q0642

Munich, August 18th, 2010
IS-ATA6-MUC/mül

MANUFACTURER's REPEAT APPROVAL
PURSUANT TO AD 2000-MERKBLATT W 0 / TRD 100

1. We hereby confirm that, with respect to the scope of approval listed in the annex, the manufacturer's qualification pursuant to AD 2000-Merkblatt W 0 / TRD 100 has been fulfilled.
2. According to our Report No. Q0642, dated August 18th, 2010 the company METAL RAVNE d.o.o. has the following:
 - 2.1 Equipment and capability which allows state of the art production and testing in accordance with applicable requirements.
 - 2.2 Quality system program safeguarding the handling and processing of materials for the products listed in the annex.
 - 2.3 Qualified personnel for supervision and testing, including works inspectors.
3. METAL RAVNE d.o.o. is obligated to notify the TÜV expert of any substantial changes or alterations regarding the expanding of the scope of approval, employment of new production processes and changes in supervisory personnel and works inspectors. This may require a new facility audit.
4. This accreditation expires **in July 2012** and is subject to the provisions of the agreement set fourth in the application. The validity may be extended upon request. The TÜV Inspector is entitled to verify compliance with the requirements in case of doubt at any time. The costs for such audits will be charged to METAL RAVNE d.o.o. account.
5. Note: For nondestructive tests the last relating "Report for nondestructive examinations" is valid.
Compared with the last audit there have been changes outlined in chapter 2 of the report No. Q0642, dated August 18th, 2010.
